## GENERAL PROVISIONS

This page contains information about which data we collect and how we use the collected data. This application does not apply to sites to which the publication contains hyperlinks. If the user does not agree with the Privacy Policy, he is obliged to refuse to use and / or register. The user is responsible for regularly checking the Site for updates to the Privacy Policy, which comes into force from the moment of its development. The user can also use the Site without registering or logging in. However, individual site features may require prior registration.

## COLLECTION, USE AND PROCESSING OF PERSONAL DATA

Information is recorded automatically when you visit our website and is stored on the start-up servers. In some cases, we record the user's IP address, browser version information, Internet service provider, computer's operating system, website address from which you came to our website, what actions were performed on the Website, your time zone, screen size, system fonts. When a visitor registers on <https://startupglade.club> or [startupglade.co](https://startupglade.co) and throughout the entire time of using the site, we collect information about the user's first and last names (which are provided by the user), email, login and other things, which allows to personalize the person on the site. Information is collected in order to improve our services and provide users with a convenient service.

## DATA SECURITY

Website takes every precaution to protect your personal data, including providing an encrypted connection between you and our site. The site undertakes to identify, stop or otherwise prevent fraud, as well as to fix technical problems or security problems. We protect the rights, property and security of the Site, our users and society as a whole, as required and permitted by law.

---

## DISCLOSURE TO THIRD PARTIES

We do not disclose information about you and your data to third parties, except as required by Polish law. We never turn to third-party companies and provide support themselves to ensure the efficiency and improvement of site services. Provided that such third party companies are needed, they must agree to ensure the confidentiality of the information transferred to them for temporary use.

## COOKIES

In some cases, website may use cookies. Cookies are text files that are stored on your computer when you visit our website. Thanks to cookies, for example, you do not need to enter your login and password each time to access the Site. The user can refuse the use of cookies by selecting the appropriate settings in the browser. However, please note that if the user does this, he will probably not be able to use all the features of the website. We also use third-party services that can store cookies on your computer: Google Analytics, etc. This services are used cookies to analyze traffic to our site.
